### SATS

- Take place in early May (10-13<sup>th</sup> May 2021)
- Booster classes usually begin after February half-term.
- Revision guides available after Christmas

### Online Safety

You may be aware, Online Safety is an important part of safeguarding children.

Many children spend a lot of time online via tablets, mobile phones, games consoles or computers– it can be a great way for them to socialise, learn and have fun.

Unfortunately children can face serious risks online including bullying, grooming and exploitation.

### Whisper button

On our school website, we've added a special button which an adult or child can click on and write a message to tell us if they have a problem. You don't have to put your name on it – it can be completely anonymous- although it is helpful to know the year group. (Click on the 'Report an issue' button to go to the school website.)
