Y6 Home Learning Booklet

Autumn 2020

Dear Parents/ Carers and Pupils,

Here is an overview of this half term's home learning. Included is:

- details of a festive design project (more information on next page);
- science, maths, reading comprehension and online activities

Children are expected to complete one page of the **Schofield and Sims** maths and English each week. **This should be handed in on a Monday.**

Please encourage your child to read daily. They can read anything, anywhere to anyone. When reading aloud, look out for clear intonation with good expression, pace and body language.

We have also included the Y3/4 and Y5/6 list of spellings to show you the type of words they could be tested on at the end of the year. You may want to start learning them, a few at a time as good practise.

We will put a copy of the homework timetable section of the booklet on the Y6 class page of the school website and Edmodo. This will make the online homework website links easier to find.

If you have any questions or suggestions, we'll be happy to respond them.

We look forward to receiving your child's home learning.

Thank you once again for your support,

Mrs Fenton and Mrs Woodcock

Festive Foraging!

We would like you to design and make a Christmas decoration(s) to hang on our school Christmas tree. Alternatively you could make a decoration which could be displayed on a mantelpiece or used as a table centrepiece. Show how resourceful and imaginative you can be by using everyday discarded objects or items you may have in your craft box.

Start bringing in - **Monday 30th November**

This is well before we break up, and will give us a chance to display the works of art on our beautiful school Christmas tree. (After which they can then be taken home and placed on your tree or table!)

We are looking for:

- ☺ **A quality finished piece of work.**
- ☺ **A fully labelled design sheet of a quality fit for display with instructions explaining how to make your item. This will carry 50% of the marks.**

Please **show me** the slip below before Monday 16th November (no need to tear out)
Thank you

My project is going to be.....
