Breakfast Club

Dear Parents/Carers,

St Marie's Breakfast Club is available Monday – Friday from 7.30am onwards. Children can choose to have breakfast at home or at Breakfast Club. **The charge will be £4 for each daily session. We ask that you pay in advance using our on-line payment service (payyourschool.co.uk) for the number of sessions you intend to use.** Please inform the office if you would like to have your child attend any day outside your normal use of this facility. No child may attend unless this form is completed and returned to the office.

Breakfast will be served between 7.30am and 8.25am. This will include a choice of cereal with milk, toast with butter and jam, and fruit juice. Please advise us if your child has any allergies. Please note that if your child arrives after 8.25am we will not be able to serve them food.

Your child can choose to play in the school hall or outside, and we have a rota system for offering different events on different days. Children can take part in quiet activities such as drawing, colouring, craft activities or games. On a Wednesday, children are able to use computers in our ICT suite or read in our library. Mrs Hanson, Mrs Ortiz, Mrs Richards, and Mrs Lever manage Breakfast Club.

If you would like your children to attend Breakfast Club, please return the form below to indicate the sessions required. Thank you.

Yours sincerely

Mrs Wallace
