

ST MARIE'S SCHOOL, A Catholic Voluntary Academy

Code of Conduct

'Each child has a divine beginning and an eternal destiny. We help him/her on that journey.'
(St Marie's Mission Statement)

1. We should all show respect and consideration for each other.
2. We should all make sure that classrooms provide a pleasant place of learning for all pupils.
3. We must all share the responsibility for ensuring that St Marie's School is a safe and healthy environment in which to work.

Every member of St Marie's School is responsible for the successful functioning of the school. We all contribute as individuals to the general atmosphere and good working relationships in the school.

Remember it takes a strong person to withstand peer group pressure and stand up for people's rights. Try to be strong enough to deal with injustices of any kind. You will be given every support if you do.
