Attendance Policy

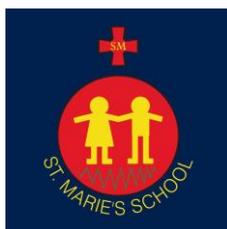

'Each child has a divine beginning and an eternal destiny. We help him/her on that journey.'

(St Marie's Mission Statement)

1. POLICY STATEMENT

During the years that children attend St Marie's School, we aim to educate the whole child, preparing them to enter secondary school with a positive self-esteem, a sound foundation of learning and an eagerness to develop further their intellectual and moral faculties.

The school works hard in partnership with parents and the People Service Portfolio to recognise and value individuals' needs and to respond to these needs.

These aims can only be fulfilled by commitment from all interested parties and is dependent upon children's regular and punctual attendance.

1.1. Aims and targets

- 1.1.1. To encourage all pupils to attend school and achieve their maximum potential.
- 1.1.2. To monitor individual and whole school attendance and measure against agreed targets.
- 1.1.3. To ensure that pupils and their parents understand and support the procedures in place to record and monitor attendance.
- 1.1.4. To ensure that all staff and governors understand and support the policy.
- 1.1.5. To address attendance and inclusion issues in the curriculum.

The following legal requirements are placed upon parents:

2. The Law relating to attendance

- 2.1. Under the provision of Section 444 of the Education Act 1996, parents/carers are legally responsible for ensuring their children attend school regularly and on time. Failure to do so could result in the issue of a Penalty Notice or legal proceedings being taken by the Local Authority.:
 - 2.1.1. To age, ability and aptitude; and
 - 2.1.2. To any special education needs he/she may have either by regular attendance at school or otherwise.

- 2.2. Parents have a duty to ensure that children of compulsory school age receive a suitable full-time education by regular attendance at school or otherwise.
- 2.3. The school must complete attendance registers at the beginning of the morning session and during the afternoon of each school day.
- 2.4. The school must report to the Local Authority pupils who fail to attend regularly or are absent for more than 10 days without explanation
- 2.5. The Local Authority has a duty to ensure that parents fulfil their legal responsibilities.
- 2.6. Failure by parents to ensure regular attendance at school of a registered pupil is an offence punishable by law.
- 2.7. There are a range of measures that Sheffield Local Authority can take to encourage changes in a child's attendance. This does include fixed penalty notices but persistent issues can require further penalties including attendances in court and in extreme cases court orders are put in place.

3. PARTNERSHIP – RIGHTS AND RESPONSIBILITIES

- 3.1. What the school expects of its pupils:
 - 3.1.1. to attend school regularly, on time and in a fit condition to learn;
 - 3.1.2. be prepared to work by bringing suitable equipment;
 - 3.1.3. co-operate with attendance procedures and inform staff if there are issues which prevent attendance.

- 3.2. What the school expects of parents:
 - 3.2.1. To fulfil their legal responsibility to encourage pupils to attend regularly and on time.
 - 3.2.2. To inform school of the reason for absence and expected return date. Parents must ensure that they are regular updating school of any changing circumstances. On the first day of the reason for absence.
 - 3.2.3. To ensure pupils are adequately prepared for the school day – This includes the appropriate equipment to access the curriculum.
 - 3.2.4. To inform school of problems preventing attendance.
 - 3.2.5. To arrange holidays out of term time. If this is unavoidable, permission should be requested from the Head teacher by completing an absence request form. The Head teacher will decide whether or not the holiday can be authorised.
 - 3.2.6. To arrange non-urgent medical and dental appointments out of school hours. If this is unavoidable, school should be informed, and an authorised absence pass obtained.
 - 3.2.7. To provide a note, signed by the parent/carer, when the child returns to school explaining the reason for absence. This will be filed and may be produced if requested by the Local Authority.

- 3.3. What parents and pupils can expect of the school:
 - 3.3.1. To encourage good attendance.
 - 3.3.2. To set a good example in matters of attendance and punctuality.

- 3.3.3. To make efficient and accurate recording and monitoring of attendance and punctuality.

- 3.3.6. To liaise on a regular basis with the Attendance and Inclusion Service to support parents and pupils where needed.

4. PROCEDURES

4.1. Registration procedures

- 4.1.1. Morning Registration is at 8.55am. Any pupils arriving after 8.55am will receive a late mark. Please note, the pupil must be in their classroom at this time.
- 4.1.2. Registers will be closed at 9.25am. Pupils arriving after this time will be marked absent for the morning session. (Pupils travelling on the School buses will not be marked late if the bus is late).
- 4.1.3. Afternoon registers are taken at 1.05pm for all pupils. Registers will close at 1.10pm. Any pupil arriving after this time will be marked absent for the afternoon session.
- 4.1.4. Class teachers must ensure the registers are completed at the correct times. Registers are to be completed electronically and saved to the school management system, so that they can be accessed by the school office after each registration.

4.2. Responding to Lateness

- 4.2.1. Pupils arriving after 8.55am must report to the office and sign in the late book giving a reason for their lateness.
- 4.2.2. Where a pupil is frequently late, parents will be contacted via letter informing them of their child's lateness and need for improvement.

4.3. Responding to Absence

Unless authorised by the school, absence will be classed as unauthorised. A letter or explanation from the parents does not of itself authorise an absence: only the school's acceptance of the explanation offered authorises the absence.

- 4.3.1. Parents are requested to contact school on the first day of absence giving a reason – this can be by phone call, note or calling in to the office. **A verbal message from a sibling will not be accepted.**
- 4.3.2. If no contact has been made by a parent/carer the school will arrange a home visit, if no contact is made via the home visit **a letter will be sent out to parents.**
- 4.3.3. Where the absence is accepted, the absence will be authorised using the appropriate symbol as indicated on the register code sheet attached to each register. **The school may request medical evidence if there are frequent absences due to illness.**
- 4.3.4. If there are any doubts about the legitimacy of any notes or reasons given for absence this should be reported immediately to the Head teacher who will

contact home and in some cases may seek further advice and guidance from the Attendance and Inclusion Officer.

4.3.5. Absences will not usually be authorised for circumstances such as:

- (a) staying at home because someone else is sick;
- (b) day trips;
- (c) shopping;
- (d) haircuts;
- (e) missed bus;
- (f) slept late;
- (g) birthdays.

4.3.6. If an explanation of absence is not provided or accepted by the school as a valid reason, the child will receive an unauthorised absence mark.

4.3.7. Telephone messages from parents are received in the Office and recorded as a comment on the register for the week of any absences. Messages may be passed on to the class teacher in note form.

4.3.8. Requests for absence should be made by filling in the Request for Absence Form, which is available from the Office. This must be filled in prior to the visit and, where possible, in good time to enable the office to process the form appropriately.

5. HOLIDAYS

5.1. **What the regulations say.** The Education (Pupil Registration) (England) Regulations 2006 Amendments remove references to family holiday and extended leave, as well as the statutory threshold of ten school days. The amendments make clear that headteachers may not grant any leave of absence during term time, unless there are exceptional circumstances. Headteachers should determine the number of school days a child can be away from school if the leave is granted.

5.2. Head teachers are only allowed to grant leave of absence to pupils in exceptional circumstances. Department for Education guidelines are clear that taking term-time holidays will not be considered as an exceptional circumstance.

5.3. If leave of absences is declined by the school yet parents or carers still remove their child then this would be classed as unauthorised absence for which a fixed penalty notice and/or prosecution could be pursued.

5.4. **Parents are strongly encouraged not to book a holiday in term time.** Parents do not have the right to take their child out of school for holidays during term time. DfE guidance states holidays should only be taken outside term time. It is stressed that any application for leave “must be in exceptional circumstances”, and that more detail must be sought to be satisfied that exceptional circumstances exist before authorisation can take place. Parents and carers are therefore strongly advised not to book holidays before seeking permission from the school for

exceptional leave, as there is now a greater risk of unauthorised leave leading to fines being applied.

- 5.5. In exceptional circumstances, parents must apply to the school for permission in advance of the holiday. An Application for Absence form must be completed and authorised by the school. The school will not normally supply work for any pupil taking holidays in term time.
- 5.6. **Holidays will not be authorised for any reason for the first two weeks of any school year (i.e. the first two weeks when the pupils start in September) or for the first week of any half term (i.e. the first week after any half term holiday).** This is because new topics are introduced, and new routines set up at these times and it is especially important that pupils are present in school.

6. RESPONDING TO POOR ATTENDANCE

- 6.1. The school action plan to improve attendance will be reviewed each term
- 6.2. The school will identify and monitor pupils whose attendance gives cause for concern. This being the 90 % or less. A tiered letter system will operate for any child whose absence falls below the 97.2 % school target. Parents may then be invited in for a meeting with the Headteacher, Business Support Manager and, if in year 6, a member of the Notre Dame Pastoral team.
- 6.3. Referrals may be made to Multi Agency Support Team (MAST) Early Help for additional support where support needs are identified.
- 6.4. Returns on persistent absences will be monitored by Miss Holmes.
- 6.5. Appropriate strategies will be employed in order to address the attendance of individuals.
- 6.6. Where attendance improves to an acceptable level the pupil will be removed from the concerns list.
