

Dear Parent/Carer,

Thanks for your interest in the Ukulele club with Student Teaching. We're really excited to have you on board! We just need a few details to get you set up – please fill this in this form and return it to the St Maries office, with cash or cheque for the first half term. If you have learned with us before there's no need to fill in the form again – please simply email us.

With all the usual singing, clapping and movement, this vibrant, energetic club is bound to ignite a long-lasting passion for music. Beginners and advanced players alike are very welcome. This is a great way to make new friends, have fun and learn how to play one of the most energetic instruments available. What's more, the kids will have a chance to perform at the end of term in a pop-up playground concert! This charity busking event will raise money for a great cause and give kids a chance to showcase their new ukulele skills.

The club is £3 per hour-long, weekly session – the first half term is 6 weeks from **Wednesday 20<sup>th</sup> of September**, a total of £18.
